Dear CCA Parents and Students,

We at CCA value safety, respect, and learning.

We have a safety plan and practice monthly drills in case we ever need to actually use them.

For example, we train staff and students on what to do for a fire drill, natural disaster (earthquake, tornado, etc.), intruder, gas leak, and other scenarios to remain safe.

If you have any questions about our safety plan, please feel free to contact CCA at (307) 253-2300.

For respect, we have our CCA rules, consequences, and incentives.

We want CCA to be a peaceful, relaxed, and focused place of learning where students can maximize their potential. We expect students to be respectful and to help the learning of themselves and others. We do not tolerate bullying or inappropriate behavior. You can find our school rules in our Parent Handbook on our website at casperclassical.com. Please click on "Parent Information" and then on "2020-2021 Parent Student Handbook." Ultimately, we desire to partner with parents to promote students in discovering who they are and in becoming productive citizens—as they chase their dreams in a free society.

For learning, we teach the Wyoming Content and Performance standards to students.

These are the most important things that each student should be able to know or to do at each grade level. The standards in each subject vary—as we offer students a well-rounded education.

From reading comprehension to writing eloquently, from solving math equations to understanding our Constitution, from thinking logically to learning Latin, from conducting a science experiment to creating a piece of art, from playing music to learning a new game in P.E.—we offer fantastic learning opportunities to students. We value all students and challenge them. We offer help and support for students who struggle (I/E time twice a week, homework club M-TH 3-4 p.m., ELA/Math Labs, etc.) as well as challenges for students who are ready for harder content (differentiation in class, advanced sections in ELA or Math, etc.).

Our hope is to create lifelong learners prepared for a successful future as responsible, service-minded citizens.

If you have any questions, please call CCA at (307) 253-2300.

Respectfully,

Matt Teterud, CCA Principal

School Culture & Climate Survey-

It is time once again for CCA parents to take the annual "School Culture & Climate" survey sent out by NCSD. Our goal as a school is to score a "3" meeting or better as an overall average score on this survey.

Parents, please click on the link below and take the survey. I am encouraging parents to take the survey starting now and completing it by October 30th (even though the window is open until November 20th). Students will be taking the survey on November 10th in homeroom class at CCA, and staff can take it anytime in the window. Please read the item below, click on the link, and take the survey.

Thanks!

Matt Teterud
Principal

CCA

The Natrona County School District is committed to ensuring all district environments are safe, orderly, supportive, and conducive to a climate of high expectations for students, staff, and the community. We would like to ask for your help by completing the survey below.

The purpose of this survey is to measure our work on engagement, environment, and safety.

This survey is anonymous and the information gained from this survey will be used to help implement improvements at all schools and facilities.

If you have students at multiple schools, please fill out a separate survey for each school.

Homework Club

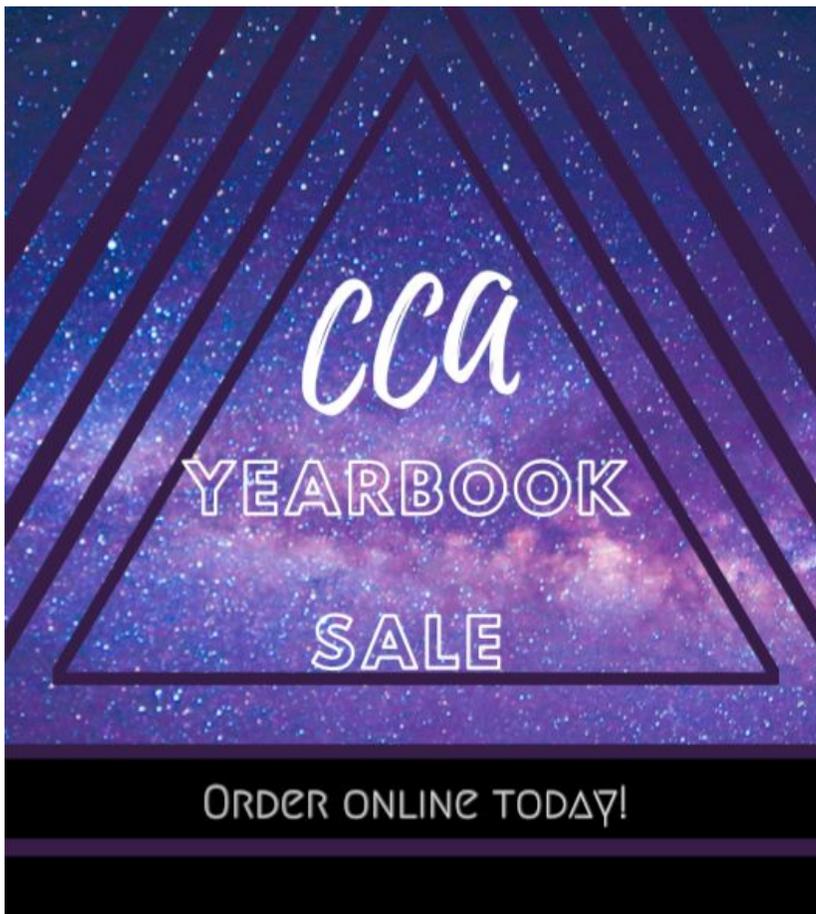

Homework club meets in the library from 3:00 - 4:00 p.m. Monday through Thursday. To ensure students are supervised at all times, students will be expected to remain in the library from 3:00 - 4:00 p.m. Students waiting for sports practice will be dismissed 15 min prior to their practice time. If you will be picking up your student before 4:00 p.m., please call the library @ 253-2261 and your student can be released early. All students must be picked up promptly at 4:00 p.m.
Thank you.

From our Cafeteria

The United States Department of Agriculture has extended the **Free** Meals for Kids program through December 31, 2020. An extension of the summer meal program, this opportunity allows for all NCSD schools to continue serving **breakfast** and **lunch** at no cost to all students.
