We will instead be recording the musical selections in class we have been working on and posting them in a google classroom. Students will have access to these videos to share with their parents and family. Thank you all for the continued support of the arts in our schools. Mr. Munari

School Masks Retrieval

In order to recapture school-provided masks that have gone home with students & staff, we are reminding students and parents/guardians about the importance of returning school provided masks at the end of the day. District provided masks are running very low and we do not expect another shipment or allocation in the near future. Please encourage students to bring school-provided masks from home to school and deposit them at their designated school location. All masks will be laundered upon their return to school.

Addition to the Tech Matrix Now:

Computer and/or charger left at home or lost	<ul style="list-style-type: none"> ❑ If a student forgets his/her computer or charger at home they will go to the library during HR to check out a loaner. The office staff will enter a signature and record the signature on a spreadsheet. America first called for a national day of thanksgiving to celebrate victory over the British in the [Battle of Saratoga](#). And during the [Civil War](#), both the [Confederacy](#) and the Union issued Thanksgiving Day proclamations following major victories.

CCA Library

Our Scholastic Book Fair is scheduled **December 7-11** from **7:30 - 3:00** each day. This will be a "**students only**" book fair. Parents wishing to shop may **shop online from November 29 - December 12**. Online orders will ship directly to your home. **Please order before December 8 for Christmas delivery**. You may access online shopping from our book fair website at:

<https://www.scholastic.com/bf/casperclassicalacad>

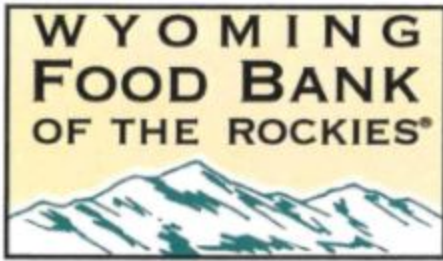

To limit the exchange of cash as much as possible, we encourage parents to set up an **eWallet** on the book fair website above. Scholastic Book Fairs' new digital payment option is a safe, convenient alternative to sending students to school with cash. Families simply create an eWallet account and funds are immediately available for use at the in-school Book Fair. Plus, family and friends can contribute, too!

After the Fair, families can use any unspent balance at [The Scholastic Store Online](#) by linking their Scholastic account to the school. Any money left on the eWallet account at the end of the book fair may be donated to the school or may be spent at the Scholastic Store online. If you wish the remaining funds on your eWallet account to be donated to the school, please contact the library at 253-2261 before December 14.

"Dear CCA Parents, Staff & Students,

With the recent spike in Covid-19 positive cases in Natrona County **we are now requiring facial coverings to be worn at all CCA home sports events**, until further notice. This requirement is being put into place for two main purposes. 1. For the protection of all players, parents, coaches, officials etc., and 2. So that our kids can finish out their seasons with all of us doing our part to slow the spread of Covid-19. If you cannot wear a facial covering due to medical or religious purposes, please contact Mr. Robinson before attending an event so that arrangements can be made for your safe attendance. If you are not feeling well and exhibit any Covid-19 related symptoms on game day, we respectfully ask you to not attend, for the safety of all others in attendance. Thank you for your cooperation regarding this matter and hopefully, we will see the number of Covid-19 positive cases go down in Natrona County in the very near future."
